2. This offer is available to all new/existing Introducing Broker Partners (herein the “Partners”) of VT Markets located in eligible EU and LATAM jurisdictions, as determined by the Company, subject to the Company’s discretion. 10. Once verification is complete, VT Markets will notify eligible Partners of their achieved Level via email to their registered email address. Partners wishing to redeem their prize must confirm their redemption intent by replying to the notification email and indicating their preferred redemption option: (a) physical prize, or (b) a cash equivalent of 80% of the Prize Value of the achieved Level, paid to the Partner's registered payment method. The cash option is available for all Levels. This reply will be treated as the Partner's formal redemption request. All redemption confirmations must be received no later than **20 March 2027**. Failure to respond by this deadline will be treated as a forfeiture of the prize for this Offer Period.
11. Partners who elect a physical prize must provide complete and accurate personal credentials (including full name, DNI or passport number, contact number, and delivery address) in their redemption confirmation reply, or in a subsequent communication no later than **20 March 2027**. 12. Where a selected prize's actual value is lower than the Prize Value of the achieved Level, any difference will not be paid in cash. Prizes are non-transferable and cannot be exchanged for cash other than through the cash equivalent option set out in Clause 10.
13. Travel and experience prizes will be arranged only after final verification and are subject to availability of dates, accommodation and services. The inclusions of each experience (including dates, room or cabin type, number of guests, meals, transport, visas, insurance and taxes) will be confirmed in writing before booking. Partners who do not wish to travel may choose a physical prize of the same Level instead. VT Markets does not guarantee the availability of any specific colour, model, dial or configuration, and reserves the right to provide an alternative of equal or greater value at its sole discretion.
16. This offer may be combined with other concurrent VT Markets promotions. Referred clients' deposits and trading volumes may count towards both this offer and other concurrent
